### **Trust Certificates and Issuance Thereof**

Section 2.01. *Issuance of Trust Certificates.* The aggregate proceeds from the sale of any of the Trust Certificates shall, forthwith upon the sale thereof, be deposited in cash with the Trustee and

thereupon, the Trustee shall issue and deliver, as the Company shall direct by Request, Trust Certificates in the aggregate principal amount so sold. The aggregate principal amount of Trust Certificates which shall be issued and delivered by the Trustee hereunder shall not exceed \$25,000,000, *except* as provided in Sections 2.05, 2.06 and 3.02.

Section 2.02. *Interests Represented by Trust Certificates; Maturity; Interest; Denominations.*  
(a) Each of the Trust Certificates shall represent an interest in the amount therein specified in the trust created hereunder.

(b) The Trust Certificates shall mature on the Maturity Date. The Trust Certificates shall be in denominations of \$10,000 or greater.

(c) Subject to Section 2.05(f), each of the Trust Certificates shall be dated the date of its issuance and delivery by the Trustee, and, *except* as provided in this Section 2.02, shall bear interest on the principal amount specified therein, payable semi-annually on the Interest Payment Dates in each year, at the Interest Rate from the date of such Trust Certificate until the principal amount represented by such Trust Certificate shall have become due, with interest on any overdue principal and interest, to the extent legally enforceable, at the Overdue Interest Rate. The person in whose name any Trust Certificate is registered at the close of business on any record date (as hereinafter defined) with respect to any Interest Payment Date shall be entitled to receive the interest payable on such Interest Payment Date notwithstanding the cancellation of such Trust Certificate upon any registration of transfer or exchange subsequent to such record date and prior to such Interest Payment Date. The term "record date" as used in this Section 2.02 with respect to any Interest Payment Date shall mean the fifteenth day (whether or not a business day) next preceding such Interest Payment Date. Notwithstanding the foregoing provisions of this Section 2.02(c), in the case of the first Interest Payment Date next following the Original Issue Date of a particular Trust Certificate, the interest so payable on such Trust Certificate on such Interest Payment Date will be paid to the person who is the holder of such Trust Certificate on the Original Issue Date thereof if such Original Issue Date occurs subsequent to the record date with respect to such Interest Payment Date.

(d) The principal and interest on the Trust Certificates shall be payable at the Corporate Trust Office in such coin or currency of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts. Notwithstanding the provisions of the preceding sentence of this Section 2.02(d), in the case of payments of principal and interest to be made on a Trust Certificate not then to be paid in full, upon Request and deposit with the Trustee of an agreement of the holder of such Trust Certificate obligating such holder, prior to any transfer or other disposition thereof, to surrender the same to the Trustee for notation thereon of the installments of principal amount represented thereby theretofore paid in whole or in part, the Trustee will mail its check on the date each such payment is due to such registered holder at his address shown on the registry books maintained by the Trustee; *provided, however*, that the foregoing provisions of this Section 2.02(d) shall not apply to either Purchaser (or Affiliate of such Purchaser to which the Purchase Agreement has been assigned) or to any other Institutional Investor which purchases \$100,000 or more in aggregate unpaid principal amount of outstanding Trust Certificates from any Purchaser or Purchasers, and the Company shall direct the Trustee by Request to make payments of principal and interest to the Purchasers, or such other Institutional Investor, by check payable in, or by wire transfer of, federal funds (and the Company shall make such funds available to the Trustee) at their respective principal or "home office" addresses or

specified bank accounts which shall be supplied to the Trustee by the Company. The Trustee shall be entitled to rely on the respective "home office" addresses or specified bank accounts supplied to it by the Company until it shall have received actual notice of a new or otherwise different "home office" address or specified bank account at which payments pursuant to this Section 2.02(d) shall be made.

Section 2.03. *Form of Trust Certificates.* The Trust Certificates shall be in substantially the form hereinbefore set forth.

Section 2.04. *Execution by Trustee.* The Trust Certificates shall be signed in the name and on behalf of the Trustee by the manual or the facsimile signature of one of its authorized officers and its corporate seal or a facsimile thereof shall be affixed or imprinted thereon and attested by the manual signature of one of its authorized officers. In case any officer of the Trustee whose signature, whether facsimile or not, shall appear on any of the Trust Certificates, shall cease to be such officer of the Trustee before the Trust Certificates shall have been issued and delivered by the Trustee or shall not have been acting in such capacity on the date of the Trust Certificates, such Trust Certificates may be adopted by the Trustee and be issued and delivered as though such person had not ceased to be or had been such officer of the Trustee.

Section 2.05. *Characteristics of Trust Certificates.* (a) Each Trust Certificate shall be registered, as to both principal and interest, in the name of the holder and, subject to the provisions of Section 2.07, shall be transferable (i) by endorsement or assignment, upon the delivery of such Trust Certificate to or on behalf of the transferee, and it is not necessary to surrender such Trust Certificate to the Trustee in connection with any transfer thereof, or (ii) upon presentation and surrender thereof for registration of transfer at the Corporate Trust Office accompanied by appropriate instruments of assignment and transfer, duly executed by the registered holder of the surrendered Trust Certificate or Trust Certificates or by a duly authorized attorney, in form satisfactory to the Trustee.

(b) Trust Certificates may be exchanged for one or more Trust Certificates of authorized denominations of the same aggregate unpaid principal amount at the Corporate Trust Office.

(c) Anything contained herein to the contrary notwithstanding, prior to due presentment for registration of transfer thereof, the parties hereto may deem and treat the registered holder of any Trust Certificate as the absolute owner of such Trust Certificate for all purposes and shall not be affected by any knowledge or notice to the contrary.

(d) The Trustee shall cause to be kept at the Corporate Trust Office books for the registration and registration of transfer of the Trust Certificates.

(e) No service charge shall be made for any registration of transfer or exchange of Trust Certificates, but for any registration of transfer or exchange the Trustee shall require the payment of a sum sufficient to reimburse it for any tax or other governmental charge connected therewith.

(f) Each Trust Certificate delivered pursuant to any provision of this Agreement in exchange for or substitution for, or upon the registration of transfer of, the whole or any part, as the case may be, of one or more Trust Certificates shall carry all the rights to interest accrued and unpaid, and to accrue, which were carried by the whole or such part, as the case may be, of such one or more other Trust Certificates, and, notwithstanding anything contained in this Agreement, such Trust Certificates shall be so dated that neither gain nor loss in interest shall result from such exchange, substitution or registration of transfer.

(g) The Trustee shall not be required (1) to issue, register a transfer of, or exchange any Trust Certificate during a period beginning at the opening of business 15 days before the selection of Trust Certificates to be redeemed and ending at the close of business on the day of the mailing of the relevant notice of redemption pursuant to Section 3.02 or (2) to register a transfer of, or exchange, any Trust Certificates called or being called for redemption in whole or in part *except* as provided in Section 3.02.

Section 2.06. *Replacement of Lost Trust Certificates.* In case any Trust Certificate shall become mutilated or defaced or be lost, destroyed or stolen, then on the terms herein set forth and not otherwise, the Trustee shall execute, issue and deliver a new Trust Certificate of like tenor and date, and bearing such identifying number or designation as the Trustee may determine, in exchange and substitution for, and upon cancellation of, the mutilated or defaced Trust Certificate, or in lieu of or in substitution for the same if lost, destroyed or stolen. The Company shall execute its Guaranty on any Trust Certificate so delivered. The applicant for a new Trust Certificate shall furnish to the Trustee and the Company evidence to their satisfaction of the loss, destruction or theft of such Trust Certificate alleged to have been lost, destroyed or stolen and of the ownership and authenticity of such mutilated, defaced, lost, destroyed or stolen Trust Certificate, and also shall furnish such security or indemnity as may be required by the Trustee in its discretion, and shall pay all expenses and charges of such substitution or exchange; *provided, however*, if such applicant shall be one of the Purchasers, or any other Institutional Investor having net assets in excess of \$100,000,000 which purchases \$100,000 or more in aggregate unpaid principal amount of outstanding Trust Certificates from any Purchaser or Purchasers, such applicant's written agreement to indemnify the Company and the Trustee against any liability or loss resulting from such substitution or exchange shall satisfy the requirements of this sentence. All Trust Certificates are held and owned upon the express condition that the foregoing provisions are exclusive in respect of the replacement of mutilated, defaced, lost, destroyed or stolen Trust Certificates and shall preclude any and all other rights and remedies, any law or statute now existing or hereafter enacted to the contrary notwithstanding.

Section 2.07. *Restrictions on Transfer of Trust Certificates.* Each purchaser of Trust Certificates from the Trustee shall represent at the time of purchase that such Trust Certificates are not being acquired with any view to the distribution thereof within the meaning of the Securities Act of 1933, as amended (the "1933 Act"), or the General Rules and Regulations (the "Rules") promulgated thereunder, but subject, nevertheless, to any requirement of law that the disposition of its property shall at all times be within its control. Neither such purchaser nor any subsequent transferee of any Trust Certificates shall sell or otherwise dispose of any such Trust Certificates *except* in accordance with the 1933 Act, the Rules and this Agreement, and the Trustee shall not be obligated to effect a registration of transfer of any such Trust Certificates without having received an opinion of Special Counsel or of counsel satisfactory to it that the proposed disposition may be effected without violation of the 1933 Act, the Rules and this Agreement.

pursuant to Section 5.04(b)(4), on each Redemption Date at the redemption price of 100% of the principal amount thereof to be redeemed, together with accrued and unpaid interest to the date fixed for redemption.

Section 3.02. *Selection of Trust Certificates for Sinking Fund Redemption; Notice of Redemption.* (a) As of the forty-fifth day next preceding each Redemption Date, the Trustee shall select for redemption from the holders thereof pro rata a principal amount of Trust Certificates so as to exhaust the amount of rental to be paid by the Company to it in cash pursuant to Section 5.04(b)(4) on the next succeeding Redemption Date. The amount to be paid on each such redemption of such Trust Certificates shall be applied to all outstanding Trust Certificates in proportion as nearly as practicable to the respective unpaid principal amounts of the outstanding Trust Certificates.

(b) The Trustee shall mail a notice of redemption at least 30 days prior to each sinking fund Redemption Date to the holders of the Trust Certificates so to be redeemed in whole or in part, at their last addresses as they shall appear upon the registry books; but failure to give or receive such notice, or any defect therein, shall not affect the validity of any proceedings for the redemption of Trust Certificates.

(c) The notice of redemption shall specify the date for redemption and shall state that, subject to Section 2.02, payment of the principal amount of Trust Certificates or portions thereof to be redeemed (together with all accrued and unpaid interest thereon) will be made at the Corporate Trust Office upon presentation and surrender of such Trust Certificates, that accrued interest to the date fixed for redemption will be paid as specified in said notice, and that from and after said date, interest thereon or on the portions thereof to be redeemed will cease to accrue. The notice of redemption shall also state the aggregate principal amount of Trust Certificates to be redeemed and the serial numbers thereof; and in case there shall have been selected as aforesaid less than the entire principal amount of any Trust Certificate, the notice shall specify the serial number of such Trust Certificate and the principal amount thereof called for redemption, and shall state that on and after the Redemption Date, upon surrender of such Trust Certificate, the holder will receive the redemption price in respect of the principal amount thereof called for redemption and, without charge, a new Trust Certificate for the principal amount thereof remaining unredeemed. The serial numbers of any Trust Certificates to be redeemed, required to be included in any such notice, may be stated in any one or more of the following ways: individually; in groups from one number to another number, both inclusive, *except* such as shall previously have been called for redemption or otherwise retired; or in such other manner as the Trustee may deem appropriate.

Section 3.03. *Payment of Trust Certificates Called for Redemption.* (a) The Company on or before the Redemption Date specified in the notice of redemption having deposited with the Trustee an amount in cash sufficient to redeem all the Trust Certificates or portions thereof called for redemption, the Trust Certificates or portions thereof called for redemption shall become due and payable on such Redemption Date, subject to Section 2.02, at the Corporate Trust Office, and from and after such redemption date, interest on such Trust Certificates or portions thereof shall cease to accrue (*provided*, as set forth herein, that the Company has deposited amounts sufficient for such redemption with the Trustee as provided herein), and such Trust Certificates or portions thereof shall no longer be deemed to be outstanding hereunder and shall cease to be entitled to the benefit of this Agreement *except* to receive payment from the monies reserved therefor in the hands of the Trustee. The Trustee shall hold the redemption monies in trust for the holders of the Trust

Certificates or portions thereof called for redemption and, subject to Section 2.02, shall pay the same to such holders respectively upon presentation and surrender of such Trust Certificates.

(b) All Trust Certificates redeemed and paid under this Article Three shall be cancelled by the Trustee, subject to Section 2.02, and no Trust Certificates shall be issued hereunder in place thereof. At the written request of the Company, the Trustee shall deliver to the Company cancelled Trust Certificates or shall destroy cancelled Trust Certificates held by it and deliver a certificate of destruction to the Company.

(5) the principal of the Trust Certificates (other than principal paid through operation of the compulsory sinking fund pursuant to Section 5.04(b)(4)), upon the maturity thereof, whether by declaration or otherwise.

(c) Nothing herein or in the Trust Certificates contained shall be deemed to impose on the Trustee or on the Company any obligation to pay to the holder of any Trust Certificate the amount of any tax, assessment or governmental charge required by any present or future law of the United States of America, or of any state, county, municipality or other taxing authorities thereof, to be paid in behalf of, or withheld from the amount payable to, the holder of any Trust Certificate.

(d) The Company shall not be required to pay any tax, assessment or governmental charge so long as it shall in good faith and by appropriate legal proceedings contest the validity thereof, provided that the rights or interests of the Trustee or the holders of the Trust Certificates will not be materially endangered thereby and the Company shall have furnished the Trustee with an Opinion of Counsel to such effect.

**Section 5.05. Termination of Trust.** At the termination of the lease provided herein and after all payments due or to become due from the Company hereunder shall have been completed and fully made to the Trustee (1) any monies remaining in the hands of the Trustee after providing for payment in full of all the outstanding Trust Certificates and after paying the expenses of the Trustee, including its reasonable compensation, shall be paid back to the Company; (2) such payments shall

be deemed to represent payment of the full purchase price for the Company's purchase at such time of the Trust Equipment from the Trustee and title to all the Trust Equipment shall vest in the Company; and (3) the Trustee shall execute for recordation in public offices, at the expense of the Company, such instrument or instruments in writing as reasonably shall be requested by the Company in order to make clear upon public records the Company's title to all the Trust Equipment under the laws of any jurisdiction; *provided, however*, that until that time title to the Trust Equipment shall not pass to or vest in the Company, but title to and ownership of all the Trust Equipment, including the proceeds thereof, shall be and remain in the Trustee, notwithstanding the delivery of the Trust Equipment to and the possession and use thereof by the Company pursuant to this Agreement.

Section 5.06. *Substitution and Replacement of Trust Equipment.* (a) So long as no Event of Default has occurred and is continuing hereunder, upon Request from the Company, the Trustee shall at any time and from time to time, execute and deliver a bill of sale assigning and transferring (without warranties of any kind, except as to title, as to which the Trustee will give to the transferee referred to below substantially the same warranties as those given by the Company to the Trustee in the bill of sale described in Section 4.03(d)(ii)) to the transferee named in such Request all the right, title and interest of the Trustee in and to any or all of the Trust Equipment and such instruments for recordation in public offices, at the expense of the Company, as shall then be required by law in order to make clear upon public records the transferee's title, free from the lien of this Agreement and the transferee's right to collect rentals, free from the lien of any Assignment; *provided, however*, that none of the Trust Equipment shall be so assigned or transferred (*except* as provided in Section 5.05) unless, in accordance with this Section 5.06, simultaneously either (i) there shall be conveyed to the Trustee other Equipment of a fair value no less than the fair value (in each such case as such fair value is determined in accordance with Section 5.06(e)), as of the date of such Request, of the Trust Equipment so assigned or transferred by the Trustee, or (ii) there shall be paid to the Trustee in cash an amount no less than the fair value (as determined in accordance with Section 5.06(e)), as of the date of such Request, of the Trust Equipment so assigned or transferred by the Trustee, or (iii) there shall be provided to the Trustee a Letter of Credit for an amount no less than the fair value (as determined in accordance with Section 5.06(e)), as of the date of such Request, of the Trust Equipment so assigned or transferred by the Trustee; *provided further*, that should such transfer create a Collateral Deficiency as defined in Section 7.07, the Company shall pay to the Trustee in cash an additional amount as necessary to avoid the creation of the Collateral Deficiency, such cash to be held by the Trustee as additional security for the payment of the Trust Certificates until such time as the repayment of such cash or any portion thereof to the Company would not create a Collateral Deficiency, whereupon the Company may request the Trustee to repay such cash or portion thereof to the Company and the Trustee shall repay the same to the Company unless an Event of Default has occurred and is then continuing. Notwithstanding the foregoing provisions of this Section 5.06(a), prior to December 31, 1989, none of the Trust Equipment shall be so assigned or transferred pursuant to this Section 5.06(a) unless, immediately after giving effect to such assignment or transfer, there shall not have been so assigned or transferred in accordance with this Section 5.06 during the preceding portion of the calendar year in which such assignment or transfer is to occur Trust Equipment having an aggregate fair value (as determined in accordance with Section 5.06(e)(1) as of the respective dates of the assignment or transfer of such Trust Equipment) in excess of 10% of the aggregate fair value of the Trust Equipment (as determined in accordance with Section 5.06(e)(1) as of the first day of such calendar year).

(b) At the time of delivery of any Request for assignment or transfer of Trust Equipment pursuant to Section 5.06(a), the Company shall, if other Equipment is to be conveyed to the Trustee in substitution for the Trust Equipment to be assigned or transferred by the Trustee, deliver to the Trustee and each Purchaser which shall have requested copies thereof from the Company the following papers:

(1) An Engineer's Certificate stating (i) the fair value, as of the date of said Request, of the Trust Equipment so to be assigned or transferred by the Trustee, (ii) that such assignment or transfer will not impair the security under this Agreement in contravention of the provisions hereof and (iii) the fair value of such substituted units of Equipment as of such date;

(2) An Officer's Certificate stating (i) the date each unit of Trust Equipment so to be assigned or transferred by the Trustee was first put into use (or that such unit was first put into use not later than a specified date), (ii) the original Cost of each unit of the Equipment so to be substituted and the date it was first put into use (or that such unit was first put into use not earlier than a specified date), (iii) whether such unit so to be substituted has been used or operated by a person or persons other than the Company, (iv) whether such unit so to be substituted is then subject to a lease and, if so, the name of the lessee and such other information as the Trustee may request to verify the compliance of such lease with Section 5.09, (v) that each such unit so to be substituted is Equipment as herein defined and has been marked in accordance with Section 5.07, (vi) that no Event of Default has occurred and is continuing and (vii) that in the opinion of the signer, all conditions precedent provided for in this Agreement relating to such substitution, have been complied with;

(3) A certificate and a bill or bills of sale in respect of such substituted Equipment as provided for in Sections 4.03(a) and (d); and

(4) An Opinion of Counsel to the effect that (i) such bill or bills of sale have been duly authorized, executed and delivered and are valid and effective, either alone or together with any other instruments referred to in and accompanying such opinion, to vest in the Trustee the rights, titles and interests to such substituted Equipment contemplated by this Agreement, free from all liens and encumbrances (including any leasehold interest therein) other than Existing Leases, as amended, other subleases (which shall be specified) permitted by Section 5.09 and Assignments of such Existing Leases and such subleases, and other than the rights and interests of the Company hereunder, (ii) all such Assignments and any amendments or supplements thereto or hereto have been duly authorized, executed and delivered by the Company and constitute, insofar as the Company is concerned, legal, valid and binding obligations, (iii) the Trustee is vested with all the right, title and interest of the Company in and to such Existing Leases, as amended or supplemented, and such subleases, as amended or supplemented, purported to be assigned to the Trustee by such Assignments, (iv) such subleases, such Assignments and all amendments or supplements hereto and to any thereof have been duly filed and recorded with the Interstate Commerce Commission in accordance with Section 11303 of the Interstate Commerce Act, as revised, and Section 7.02 and a financing statement covering such Assignments has been duly filed with the office of the Secretary of State of Texas, (v) no other filing or recordation or deposit is necessary (or will be necessary in the future, *except* as stated in such opinion) for the protection of the rights of the Trustee in and to such substituted Trust Equipment, such Existing Leases, such subleases or such Assignments in any state of the United States of America or the District of Columbia, and (vi) all conditions precedent provided for in this Agreement with respect to such substitution have been complied with.

(c) At the time of delivery of any Request for assignment or transfer of Trust Equipment pursuant to Section 5.06(a), the Company shall, if cash and/or a Letter of Credit is to be paid and/or delivered to the Trustee in respect of the Trust Equipment to be assigned or transferred by the Trustee, deliver to the Trustee papers corresponding to those set forth in Section 5.06(b) insofar as they relate to the action requested.

(d) Cash or any Letter of Credit deposited with the Trustee pursuant to this Section 5.06 or pursuant to Section 5.08(a) shall, from time to time, be paid over or released, as the case may be, by the Trustee to the Company upon Request, against conveyance to the Trustee of Equipment having a fair value as of the date of said Request of not less than the amount of cash so paid or the amount of the Letter of Credit released and upon compliance by the Company with all of the provisions of Section 5.06(b) insofar as they relate to the action requested.

(e) For all purposes of this Section 5.06 and Section 5.08(a), fair value shall be determined as follows (and the manner of such determination shall be set forth in each Engineer's Certificate furnished in respect thereof):

(1) the fair value of any unit of the Trust Equipment assigned or transferred by the Trustee as provided in this Section 5.06, or worn out, unsuitable for use, lost, destroyed or taken or requisitioned by condemnation or otherwise as set forth in Section 5.08(a), shall be deemed to be the greater of (A) the actual fair value thereof or (B) the Cost thereof as theretofore certified to the Trustee less 1/30th of such Cost for each full period of one year elapsed between (i) the later of December 31, 1979 and the date such unit was first put into service, as certified to the Trustee, and (ii) the date of the Request for assignment or transfer of Trust Equipment furnished pursuant to this Section 5.06 or the Engineer's Certificate furnished pursuant to Section 5.08(a), as the case may be; and

(2) the fair value of any unit of Equipment conveyed to the Trustee as provided in this Section 5.06 shall be deemed to be the lesser of (A) the actual fair value thereof or (B) the Cost of such unit as certified to the Trustee less depreciation at a rate not less than 1/30th of such Cost for each full period of one year elapsed between (i) the later of December 31, 1979 and the date such unit was first put into service, as certified to the Trustee, and (ii) the date of the Request for assignment or transfer of Trust Equipment furnished pursuant to this Section 5.06.

(f) Any provision of this Section 5.06 or Section 5.08 to the contrary notwithstanding, no Letter of Credit delivered to the Trustee pursuant to Section 5.06(a) or pursuant to Section 5.08(a) shall for a period in excess of one year from the date of delivery thereof relieve the Company of its obligations hereunder to convey to the Trustee other Equipment or pay to or deposit with the Trustee cash, of the value or in the amount, as the case may be, otherwise required by the provisions of Section 5.06 or Section 5.08, as the case may be.

**Section 5.07. *Marking of Trust Equipment.*** (a) The Company agrees that there shall be plainly, distinctly, permanently and conspicuously stenciled upon each side of each unit of the Trust Equipment prior to the assignment and transfer of the same to the Trustee the following words, in letters not less than one inch in height:

**OWNERSHIP SUBJECT TO SECURITY AGREEMENT ON FILE WITH THE  
INTERSTATE COMMERCE COMMISSION.**

Such marks shall be such as to be readily visible and as to indicate plainly a Trustee's ownership of each such unit of the Trust Equipment.

(b) In case, prior to the termination of the lease provided for herein, any of such plates or marks shall at any time be removed, defaced or destroyed, the Company shall forthwith cause the same to be restored or replaced.

(c) The Company shall not change or permit to be changed the numbers of any of the Trust Equipment at any time covered hereby (or any numbers which may have been substituted as herein provided) *except* in accordance with a statement of new numbers to be substituted therefor which previously shall have been filed with the Trustee by the Company which shall be filed and recorded in like manner as this Agreement.

(d) Any unit of Trust Equipment required to be marked pursuant to this Section 5.07 may be lettered, with the name or initials or other insignia customarily used by the Company on railroad equipment owned by it of the same or a similar type or in any other appropriate manner, for convenience of identification of the rights of the Company to use the units of Trust Equipment permitted under this Agreement, and may also be lettered in the case of a sublease of any Trust Equipment made pursuant to Section 5.09, in such manner as may be appropriate for convenience of identification of the subleased interest therein; but, the Company, from and after the date hereof and during the continuance of the lease provided for herein, will not allow the name of any person, firm, association or corporation to be placed on or to remain on any unit of Trust Equipment as a designation which might be interpreted as a claim of ownership thereof by the Company or any person, firm, association, or corporation other than the Trustee.

**Section 5.08. *Maintenance of Trust Equipment.*** (a) The Company agrees that it will maintain and keep or cause others to maintain and keep the Trust Equipment in good running order and proper repair without cost or expense to the Trustee, unless and until it becomes worn out, unsuitable for use, lost, destroyed or taken or requisitioned by condemnation or otherwise. Whenever Trust Equipment, the fair value of which shall exceed 1% of the aggregate principal amount of Trust Certificates then outstanding, shall become worn out, unsuitable for use, lost, destroyed or taken or requisitioned by condemnation or otherwise (exclusive of Trust Equipment in respect of which a payment shall have been made to the Trustee pursuant to this Section 5.08(a)), the Company shall forthwith deliver to the Trustee an Engineer's Certificate describing such Trust Equipment and stating the fair value thereof as of the date such Trust Equipment became worn out, unsuitable for use, lost, destroyed or taken or requisitioned by condemnation or otherwise, and shall deposit with the Trustee either (1) an amount in cash equal to such fair value (as determined under Section 5.06(e)(1)) or (2) a Letter of Credit for an amount no less than such fair value (as determined under Section 5.06(e)(1)). Cash or the Letter of Credit deposited with the Trustee pursuant to this Section 5.08(a) shall be held and applied as provided for in Section 5.06(d).

(b) The rights and remedies of the Trustee to enforce this Agreement or to recover any of the rental payments shall not be affected by reason of any such occurrence as described in Section 5.08(a).

(c) The Company covenants and agrees to furnish to the Trustee whenever required by the Trustee (with a copy to each Purchaser) but at least once on or before July 31 in every calendar year following the calendar year in which occurs the first delivery of any of the Trust Equipment to the Trustee or its agent or agents hereunder and during the continuance of the lease provided for herein an Officer's Certificate, dated as of the preceding March 31 stating (1) the number of units of the Trust Equipment then covered hereby and under sublease, together with a list and description of

sublessees thereunder, the units of Trust Equipment (identified by car number) covered by each sublease and the term and monthly rental under each sublease, (2) the amount, description and numbers of all Trust Equipment that may have become worn out, unsuitable for use, lost, destroyed or taken or requisitioned by condemnation or otherwise since the date of the last preceding statement (or the date of this Agreement in case of the first statement), (3) the number of units of the Trust Equipment which the Company has been notified are then undergoing repairs, other than running repairs, or then withdrawn from use for such repairs, (4) that in the case of all the Trust Equipment repainted or repaired since the date of the last preceding statement (or the date of this Agreement in the case of the first statement), the marks required by Section 5.07 have been preserved, or that such Trust Equipment when repainted or repaired has been again marked as required thereby, (5) all normal maintenance and repair work on the Trust Equipment has been done and all such Trust Equipment is in good condition and repair and in proper running order, and (6) based on the most recent reports provided to the Company by the lessee (or sublessee) under any lease (or sublease) of the units of Trust Equipment, the location of all units of Trust Equipment which are outside of the United States of America (or any state thereof or the District of Columbia) as of the most recent date reflected in such reports. The Trustee, by its agents, shall have the right once in each calendar year, but shall be under no duty, to inspect the Trust Equipment at the then existing locations thereof.

Section 5.09. *Possession of Trust Equipment.* (a) *Except* as provided in this Section 5.09, the Company will not assign or transfer its rights hereunder, or transfer or sublet the Trust Equipment or any part thereof or assign, pledge, mortgage, transfer or otherwise dispose of any of its rights under any sublease of any of the Trust Equipment, without the written consent of the Trustee first had and obtained; and the Company shall not, without such written consent, *except* as herein provided, part with the possession of, or suffer or allow to pass out of its possession or control, any of the Trust Equipment.

(b) So long as the Company shall not be in default under this Agreement, the Company and any of its Affiliates shall be entitled to the possession and use of the Trust Equipment in accordance with the terms hereof, and the Company shall be entitled to maintain the Existing Leases and otherwise to sublease the Trust Equipment to, or to permit its use by, a sublessee or user for use in the United States of America (or any state thereof or the District of Columbia), Canada and Mexico; *provided, however*, that if the Company or an Affiliate uses, subleases or permits the use of the Trust Equipment in Canada (or any province or territory thereof) or in Mexico (or any state or the Federal District thereof), the Company shall, *except* as otherwise provided in Section 7.02, first have (1) taken all necessary action to protect the right, title and interest of the Trustee in the Trust Equipment to be so subleased or used and (2) furnished the Trustee with an opinion of Canadian or Mexican counsel, as the case may be, satisfactory to the Trustee to the effect that such action is all that is necessary to protect the right, title and interest of the Trustee in such Trust Equipment; and *provided further, however*, that any such Existing Lease or other sublease shall forthwith upon execution thereof be assigned to the Trustee as security for the obligations of the Company hereunder pursuant to an Assignment and that the Assignment of any such sublease containing an option permitting the sublessee to purchase any units of Trust Equipment shall also provide for the proceeds of any such sale to be assigned to the Trustee pursuant to the Assignment.

(c) Any such sublease may provide that the sublessee, so long as it shall not be in default under such sublease, shall be entitled to the possession and use of the Trust Equipment covered thereby,

and, subject to the provisions of Section 5.07, may provide for lettering and marking upon such Equipment for convenience of identification of the leasehold interest of such sublessee therein; *provided, however*, that anything in the foregoing provisions of this sentence to the contrary notwithstanding, any such sublease shall not negate all or any part of the rights of the Company thereunder to assign, pledge, mortgage, transfer or otherwise dispose of any Trust Equipment, any such assignment, pledge, mortgage, transfer or other disposition to be subject, however, to any such non-defaulted sublease.

(d) The Trustee shall have the right to declare the lease provided for herein terminated in case of any unauthorized assignment or transfer of the Company's rights hereunder or in case of any unauthorized transfer or sublease of any of the Trust Equipment. The election of the Trustee to terminate the lease provided for herein shall have the same effect as the retaking of the Trust Equipment by the Trustee as hereinafter provided.

Section 5.10. *Indemnity*. The Company covenants and agrees to indemnify the Trustee against any and all claims arising out of or connected with the ownership or use of any of the Trust Equipment, and particularly against any and all claims arising out of the use of any patented invention in and about the Trust Equipment, and to comply in all respects with the laws of the United States of America and of all the states and other jurisdictions in which the Trust Equipment or any unit thereof may be operated and with all lawful acts, rules, regulations and orders of any commissions, boards or other legislative, executive, administrative or judicial bodies or officers having power to regulate or supervise any of the Trust Equipment, including without limitation all lawful acts, rules, regulations and orders of any body having competent jurisdiction relating to automatic coupler devices or attachments, air brakes or other appliances; *provided, however*, that the Company may in good faith contest the validity of any such law, act, rule, regulation or order, or the application thereof to the Trust Equipment or any part thereof, in any reasonable manner which will not in the judgment of the Trustee materially endanger the rights or interests of the Trustee or the holders of the Trust Certificates or subject the Trustee or the holders of the Trust Certificates to any risk of criminal liability or civil penalty. The Company shall not be relieved from any of its obligations hereunder by reason of the assertion or enforcement of any such claims or the commencement or prosecution of any litigation in respect thereof.

(iii) the Company shall, for more than ~~15~~<sup>30</sup> days after a Responsible Officer of the Company shall have obtained knowledge thereof from any source, fail or refuse to comply with any other of the terms and covenants hereof or of the Purchase Agreement on its part to be kept and performed, or to make provision satisfactory to the Trustee for such compliance, or

(iv) an event of default shall occur under any lease, agreement, equipment trust agreement or indenture under which the Company is an obligor (the term "event of default" being used in this Section 6.01(a)(iv) to mean any event which permits, or after any applicable notice and/or period of grace provided for in the instrument in question, would permit the lessor, obligee or holder of any indebtedness issued thereunder or secured thereby, as the case may be (or a trustee on such persons behalf) to declare the principal amount of the obligation issued thereunder or secured thereby to become immediately due and payable, and such principal amount shall exceed \$100,000, or to elect a majority of the Board of Directors of the Company), or

(v) the lease provided for herein shall be terminated by operation of law, or

(vi) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Company in an involuntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other federal or state law relating to bankruptcy or insolvency, or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator (or other similar official) of the Company or for any substantial part of its property, or decreeing or ordering the winding up or liquidation of the affairs of the Company (unless such decree or order shall have been discharged, stayed or otherwise rendered ineffective, but then only so long as such stay shall continue in force or such ineffectiveness shall continue), and all the obligations of the Company hereunder and under any instrument made in connection with the purchase of the Trust Certificates by the Purchasers shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Company or for its property in connection with such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees or receiver or receivers within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier, or

(vii) the Company shall commence a voluntary case under the federal bankruptcy laws, as now or hereafter constituted, or shall file a petition or answer or consent seeking reorganization or relief under any other federal or state law relating to bankruptcy or insolvency, or shall consent to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or other similar official) of the Company

or for any substantial part of its property, or shall make an assignment for the benefit of creditors, or shall admit in writing its inability to pay its debts generally as they become due, or action shall be taken by the Company in furtherance of any of the aforesaid purposes, or

(viii) Trinity shall (A) fail to observe or perform any of its obligations under the Trinity Agreement, or if the Trinity Agreement shall terminate otherwise than strictly in accordance with the provisions of the Trinity Agreement, or (B) together with the Company or otherwise, amend or modify the provisions of the Trinity Agreement without, among other things, the prior written consent of the holders of not less than 66 2/3% in aggregate principal amount of Trust Certificates then outstanding, or

(ix) any representation, warranty or statement made by the Company or Trinity, in the Purchase Agreement or in this Agreement, or in any certificate or other instrument delivered to any Purchaser or holder of any Trust Certificate pursuant to the Purchase Agreement or this Agreement, shall be incorrect in any material respect as of the time when made,

then, in any such case (herein sometimes called an "Event of Default"), the Trustee, by notice in writing to the Company, or the holders of not less than 25% in principal amount of the then outstanding Trust Certificates, by notice in writing to the Company and to the Trustee, may declare to be due and payable forthwith the entire amount of the rentals (not including rentals required for the payment of interest accruing after the date of such declaration) payable by the Company as set forth in Section 5.04 and not theretofore paid. Thereupon, the entire amount of such rentals and all amounts payable to the Trustee under Section 9.06 shall forthwith become and shall be due and payable immediately without further demand, together with interest at the Overdue Interest Rate to the extent legally enforceable, on any portion of such rentals overdue; and the Trustee shall be entitled to judgment for the total amount so becoming payable by the Company, together with interest, at the Overdue Interest Rate, to the extent legally enforceable, on any portion of such rentals overdue, and to collect such judgment out of any property of the Company wherever situated.

(b) In addition, in case one or more Events of Default shall happen, the Trustee, by notice in writing to the Company, or the holders of not less than 25% in principal amount of the then outstanding Trust Certificates, by notice in writing to the Company and the Trustee, may declare the principal of all the Trust Certificates then outstanding to be due and payable, and thereupon the same shall become and be immediately due and payable.

(c) In case the Company shall fail to pay any installment of rental payable pursuant to Section 5.04(b)(3), (b)(4) or (b)(5) when and as the same shall have become due and payable hereunder, and such default shall have continued for a period of 5 days, the Trustee, in its own name and as Trustee of an express trust, shall be entitled and empowered to institute any action or proceeding at law or in equity for the collection of the rentals so due and unpaid, together with all amounts payable to the Trustee under Section 9.06, and may prosecute any such action or proceeding to judgment or final decree, and may enforce any such judgment or final decree against the Company or other obligor upon the Trust Certificates and collect in the manner provided by law out of the property of the Company or other obligor upon the Trust Certificates wherever situated the monies adjudged or decreed to be payable.

(d) In case there shall be pending proceedings for the bankruptcy or for the reorganization of the Company or any other obligor upon the Trust Certificates under the federal bankruptcy laws or

any other applicable federal or state law, or in case a receiver, liquidator, assignee, trustee, custodian, sequestrator (or other similar official) shall have been appointed for the property of the Company or such other obligor, or in case of any other judicial proceedings relative to the Company or such other obligor, or to the creditors or property of the Company or such other obligor, the Trustee, irrespective of whether the rental payments hereunder or the principal of the Trust Certificates shall then be due and payable as herein or therein expressed whether by declaration or otherwise and irrespective of whether the Trustee shall have made any demand or declaration pursuant to the provisions of this Section 6.01, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the entire amount of the rentals (including any unpaid rental then due but not including rentals required for the payment of interest accruing after the date of such declaration) and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee, its agents, attorneys and counsel and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee *except* as a result of its negligence or willful misconduct) and of the holders of the Trust Certificates allowed in such proceedings and to collect and receive any monies or other property payable or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the holders of the Trust Certificates and of the Trustee on their behalf; and any receiver, liquidator, assignee, trustee, custodian, sequestrator (or other similar official) in bankruptcy or reorganization is hereby authorized by each of the holders of the Trust Certificates to make payment to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the holders of the Trust Certificates, to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, its agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Trustee *except* as a result of its negligence or willful misconduct.

(e) All rights of action and to assert claims under this Agreement, or under any of the Trust Certificates, may be enforced by the Trustee without the possession of any of the Trust Certificates or the production thereof on any trial or other proceedings relative thereto, and any such action or proceedings instituted by the Trustee shall be brought in its own name as trustee of an express trust; and any recovery of judgment shall be for the ratable benefit of the holders of the Trust Certificates. In any proceedings brought by the Trustee (and also any proceedings involving the interpretation of any provision of this Agreement to which the Trustee shall be a party) the Trustee shall be held to represent all the holders of the Trust Certificates, and it shall not be necessary to make any holders of the Trust Certificates parties to such proceedings.

Section 6.02. *Remedies.* (a) Subject to the rights of sublessees under subleases permitted by Section 5.09, in case of the happening of any Event of Default, the Trustee by its agents (i) may enter upon the premises of the Company and of any Affiliate of the Company or of any sublessee or any other premises where any of the Trust Equipment may be and take possession of all or any part of the Trust Equipment and withdraw the same from said premises, retaining all payment which up to that time may have been made on account of rental for the Trust Equipment and otherwise, (ii) shall be entitled to collect, receive and retain all per diem mileage, sublease rentals or other charges of any kind then due on account of or thereafter earned by the Trust Equipment or any part thereof, and (iii) may lease the Trust Equipment or any part thereof, or with or without retaking possession thereof (but only after declaring due and payable the entire amount of rentals payable by the

Company as provided in Section 6.01(a)) may sell the same or any part thereof, free from any and all claims of the Company at law or in equity, in one lot and as an entirety or in separate lots, insofar as may be necessary to perform and fulfill the trust hereunder, at public or private sale, called and conducted in any manner permitted by law, and may proceed otherwise to enforce its rights and the rights of the holders of interests hereunder in the manner herein provided. Upon any such sale, the Trustee itself may bid for the property offered for sale or any part thereof. Any such sale may be held or conducted at such place and at such time as the Trustee may specify, or as may be required by law, and without gathering at the place of sale the Trust Equipment to be sold, and in general in such manner as the Trustee may determine. Upon such taking possession or withdrawal or lease or sale of the Trust Equipment, the Company shall cease to have any rights or remedies in respect of the Trust Equipment hereunder, but all such rights and remedies shall be deemed thenceforth to have been waived and surrendered by the Company, and no payments theretofore made by the Company for the rent or use of the Trust Equipment or any of it shall, in case of the happening of any Event of Default and such taking possession, withdrawal, lease or sale by the Trustee, give to the Company any legal or equitable interest or title in or to the Trust Equipment or any of it or any cause or right of action at law or in equity in respect of the Trust Equipment against the Trustee or the holders of interests hereunder. No such taking possession, withdrawal, lease or sale of the Trust Equipment by the Trustee shall be a bar to the recovery by the Trustee from the Company of rentals then or thereafter due and payable, or of principal and interest in respect of the Trust Certificates, and the Company shall be and remain liable for the same until such sums shall have been realized as, with the proceeds of the lease or sale of the Trust Equipment, shall be sufficient for the discharge and payment in full of the items mentioned in Section 5.04 and all obligations of the Company under the Agreement (other than interest not then accrued), whether or not they shall have then matured.

(b) It is expressly agreed that the rights of the Trustee under this Section 6.02 are subject to the rights of sublessees under valid and subsisting subleases described in and permitted by Section 5.09, and that the Trustee, so long as such sublessees are not in default under said subleases, shall not interfere with the rights of peaceful and undisturbed possession of such sublessees in and to any of the Trust Equipment in accordance with the terms of such subleases.

Section 6.03. *Application of Proceeds.* (a) If, in case of the happening of any Event of Default, the Trustee shall exercise any of the powers conferred upon it by Sections 6.01 and 6.02, all payments made by the Company to the Trustee hereunder after such Event of Default, and the proceeds of any judgment collected from the Company by the Trustee hereunder, and the proceeds of every sale or lease by the Trustee hereunder of any of the Trust Equipment, together with any other sums and Investment Securities which may then be held by the Trustee under any of the provisions hereof (other than sums held in trust for the payment of specific Trust Certificates or a part thereof, or interest thereon), shall be applied by the Trustee to the payment, in the following order of priority: (i) of all proper charges, expenses or advances made or incurred by the Trustee in accordance with the provisions of this Agreement and (ii) of the interest then due, with interest on overdue interest at the Overdue Interest Rate to the extent legally enforceable, and of the principal of all the outstanding Trust Certificates, with interest thereon at the Overdue Interest Rate, to the extent legally enforceable, from the last Interest Payment Date occurring prior to such Event of Default, whether such Trust Certificates shall have then matured by their terms or not, all such payments to be in full if such proceeds shall be sufficient, and if not sufficient, then pro rata without preference between principal and interest.

(b) After all such payments shall have been made in full, the title to any of the Trust Equipment remaining unsold shall be conveyed by the Trustee (without warranties of any kind, *except* as to title, as to which the Trustee will give to the Company substantially the same warranties as those given by the Company to the Trustee in the bill of sale described in Section 4.03(d)(ii)) to the Company, free from any further liabilities or obligations to the Trustee hereunder. If after applying all such sums of money realized by the Trustee there shall remain any amount due to the Trustee under the provisions hereof, the Company agrees to pay the amount of such deficit to the Trustee. If after applying all such sums of money realized by the Trustee there shall remain a surplus in the possession of the Trustee, such surplus shall be paid to the Company.

Section 6.04. *Waivers of Default.* (a) Prior to the declaration of the acceleration of the maturity of the rentals and of the maturity of all the Trust Certificates as provided in Section 6.01, the holders of at least 66 2/3% in aggregate principal amount of the Trust Certificates at the time outstanding may on behalf of the holders of all the Trust Certificates waive any past Event of Default and its consequences, *except* an Event of Default in the payment of any installment of rental payable pursuant to Section 5.04(b)(3), (b)(4) or (b)(5), but no such waiver shall extend to or affect any subsequent default or impair any right consequent thereon.

(b) If at any time after the principal of all the Trust Certificates shall have been declared and become due and payable or if at any time after the entire amount of rentals shall have been declared and become due and payable all as provided in Section 6.01, but before the Maturity Date, and, *provided*, that no judgment or decree has been entered for the payment of any monies due for such rentals, on the Trust Certificates or pursuant to this Agreement, all arrears of rent (with interest at the Overdue Interest Rate upon any overdue installments, to the extent legally enforceable), the expenses and reasonable compensation of the Trustee, together with all expenses of the trust occasioned by the Company's default, and all other sums which shall have become due and payable by the Company hereunder (other than the principal of Trust Certificates, and any other rental installments, the maturity of which shall at the time have been accelerated) shall be paid by the Company before any sale or lease by the Trustee of any of the Trust Equipment, and every other default in the observance or performance of any covenant or condition hereof shall be made good or secured to the satisfaction of the Trustee, or provision deemed by the Trustee to be adequate shall be made therefor, then, and in every such case, the Trustee, if so requested by the holders of at least 66 2/3% in aggregate principal amount of the Trust Certificates then outstanding, shall by written notice to the Company waive the default by reason of which there shall have been such declaration or declarations and the consequences of such default, but no such waiver shall extend to or affect any subsequent default or impair any right consequent thereon.

Section 6.05. *Obligations of Company Not Affected by Remedies.* No retaking of possession of the Trust Equipment by the Trustee, or any withdrawal, lease or sale thereof, nor any action or failure or omission to act against the Company or in respect of the Trust Equipment, on the part of the Trustee or on the part of the holder of any Trust Certificate, nor any delay or indulgence granted to the Company by the Trustee or by any such holder, shall affect the obligations of the Company hereunder or under any Guaranty. The Company hereby waives presentation and demand in respect of any of the Trust Certificates and waives notice of presentation, of demand and of any default in the payment of the principal of and interest on the Trust Certificates.

Section 6.06 *Company to Deliver Trust Equipment to Trustee.* In case the Trustee shall rightfully demand possession of any of the Trust Equipment other than Trust Equipment under

valid subleases permitted by Section 5.09 in pursuance of this Agreement, the Company will, at its own expense, forthwith promptly cause such Trust Equipment to be drawn to such point or points as shall reasonably be designated by the Trustee and will there deliver or cause to be delivered the same to the Trustee; or, at the option of the Trustee, the Trustee may keep such Trust Equipment, at the expense of the Company, on any lines of railroad or premises approved by the Trustee until the Trustee shall have leased, sold or otherwise disposed of the same. It is hereby expressly covenanted and agreed that the performance of the foregoing covenant is of the essence of this Agreement and upon application to any court having jurisdiction in the premises, the Trustee shall be entitled to a decree against the Company requiring the specific performance thereof.

Section 6.07. *Trustee to Give Notice of Default.* (a) The Trustee shall give to the holders of the Trust Certificates notice of each default hereunder known to the Trustee within 20 days after it has knowledge thereof, whether or not such default shall have been remedied or cured before the giving of such notice. The term "default" as used in this Section 6.07 shall mean the happening of any event defined as an Event of Default in Section 6.01(a), *except* that, for the purposes of this Section 6.07 only, there shall be eliminated from the definition of any such event as specified in Section 6.01(a) any reference to the making of a written demand or the continuance, or the continuance in force, for any period of days of a default or failure on the part of the Company referred to in such definition.

(b) The Trustee shall not be deemed to have notice or knowledge of any default or Event of Default hereunder (*except* default in the payment of monies to the Trustee which are required by any provision hereof or any instrument entered into in accordance with the terms hereof to be paid to the Trustee on or before a specified date or within a specified time after receipt by the Trustee of a notice or certificate which was in fact received, and default in the delivery of any certificate or opinion expressly required to be delivered to the Trustee by any provision hereof), *unless* an officer of the Trustee shall have actual knowledge thereof or the Trustee shall have received notice from the Company, any sublessee of the Company under any Existing Lease (or any sublease permitted by Section 5.09) or the holder of any Trust Certificate, specifying the same.

Section 6.08. *Unconditional Right of Holders of Trust Certificates to Sue for Principal and Interest.* Notwithstanding any other provisions in this Agreement, the right of any holder of any Trust Certificate to receive payment of the principal of and interest on such Trust Certificate, on or after the respective due dates expressed in such Trust Certificate, or to institute suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such holder, *except* that no such suit shall be instituted or prosecuted if and to the extent that the institution or prosecution thereof or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the title reserved under this Agreement upon any property subject hereto.

Section 6.09. *Control by Holders of Trust Certificates.* The holders of a majority in aggregate principal amount of the Trust Certificates at the time outstanding shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee; *provided, however*, that such direction shall not be otherwise than in accordance with law and the provisions of this Agreement; and the Trustee, subject to the provisions of Section 9.02, shall have the right to decline to follow any such direction if the Trustee, acting on the advice of counsel, shall determine that the proceeding so directed may not

lawfully be taken, or if the Trustee in good faith shall, by a Responsible Officer or Officers of the Trustee, determine that the proceeding so directed would involve it in a personal liability, or if the Trustee in good faith should determine that the action so directed would be unjustly prejudicial to the holders of the Trust Certificates not taking part in such direction; and *provided further*, that nothing in this Agreement contained shall impair the right of the Trustee in its discretion to take any action deemed proper by the Trustee and which is not inconsistent with such direction by the holders of the Trust Certificates.

Section 6.10. *Remedies Cumulative.* The remedies in this Agreement provided in favor of the Trustee and the holders of the Trust Certificates, or any of them, shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in their favor existing at law or in equity.

## **ARTICLE SEVEN**

### **Additional Covenants and Agreements by the Company**

Section 7.01. *Discharge of Liens.* The Company covenants and agrees that it will pay and discharge, or cause to be paid and discharged, or make adequate provision for the satisfaction or discharge of, any debt, tax, charge, assessment, obligation or claim which if unpaid might become a lien or charge upon or against any of the Trust Equipment; but this provision shall not require the payment of any such debt, tax, charge, assessment, obligation or claim so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings, provided that such contest will not materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates and the Company shall have furnished the Trustee with an Opinion of Counsel to such effect. If the Company does not forthwith pay and discharge, or cause to be paid and discharged, or make adequate provision for the satisfaction or discharge of, any such debt, tax, charge, assessment, obligation or claim as required by this Section 7.01, the Trustee may, but shall not be obligated to, pay and discharge the same, and any amounts so paid shall be due on demand and shall be secured by and under this Agreement until reimbursed by the Company.

Section 7.02. *Payment of Expenses; Recording.* (a) The Company covenants and agrees to pay the expenses incident to the preparation and execution of the Trust Certificates to be issued hereunder, or connected with the preparation, execution, recording and filing hereof and of any instruments executed under the provisions hereof with respect to the Trust Equipment. The Company will, promptly after the execution and delivery of this Agreement (and prior to the delivery of any Trust Equipment to the Trustee hereunder) and of each Assignment of Existing Leases and any other sublease permitted under Section 5.09 and each supplement or amendment hereto or thereto, as the case may be, cause the same to be duly filed and recorded with the Interstate Commerce Commission in accordance with Section 11303 of the Interstate Commerce Act, as revised, and will cause appropriate financing statements respecting the same to be filed under applicable Uniform Commercial Codes. The Company will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register and record any and all further instruments required by the law of any jurisdiction in which the use of the Trust Equipment is permitted under Section 5.09 or reasonably requested by the Trustee for the purposes of proper protection of the title of the Trustee and the rights of the holders of the Trust Certificates and of fully

carrying out and effectuating this Agreement and the intent hereof; *provided, however*, that the Company shall not be required to take any such action in respect of any jurisdiction outside of the United States if (i) after giving effect to the failure to take such action, the Company has taken all action required by law to protect the title of the Trustee to units of Trust Equipment having a fair value of not less than 90% of the aggregate fair value of all of the Trust Equipment (such fair value to be determined in the manner provided in Section 5.06(e)(1)) and (ii) any unit of Trust Equipment at any time located in such jurisdiction shall have been marked with the marking specified in Section 5.07.

(b) Promptly after the execution and delivery of this Agreement and of each Assignment and each supplement or amendment hereto or thereto, the Company will furnish to the Trustee an Opinion of Counsel stating that, in the opinion of such counsel, such document or a financing statement relating thereto, as the case may be, has been properly recorded and filed so as effectively to protect the title of the Trustee to the Trust Equipment and its rights and the rights of the holders of the Trust Certificates thereunder and hereunder and reciting the details of such action; and the Company shall furnish to the Trustee, prior to July 31 of each year, commencing with the year in which the Sinking Fund Determination Date occurs, an Opinion of Counsel stating that, in the opinion of such counsel, (i) (A) such action has been taken with respect to the recording, filing, re-recording and re-filing of this Agreement and of each Assignment and each supplement or amendment hereto or thereto as is necessary for the proper protection of the title of the Trustee to the Trust Equipment and the rights of the Trustee and holders of the Trust Certificates hereunder and thereunder, and (B) reciting the details of such action or referring to prior opinions delivered to the Trustee pursuant to this Agreement which recite such details of such action, or (ii) no such action is necessary for any of such purposes.

Section 7.03. *Further Assurances.* The Company covenants and agrees from time to time to do all such acts and execute all such instruments of further assurance as it shall be reasonably requested by the Trustee to do or execute for the purpose of fully carrying out and effectuating this Agreement and the intent hereof.

Section 7.04. *Change in Business; Merger.* The Company will not make any substantial change in the nature of the business of the Company, or merge or consolidate with any other corporation, or sell, lease or otherwise dispose of all or any part of its assets (other than in the ordinary course of business), *except* that:

(a) the Company may merge with any other corporation which is organized under the laws of the United States or any jurisdiction thereof, *provided* that (i) the Company shall be the surviving or continuing corporation, and (ii) immediately after such merger, the Company shall not be in default under this Agreement;

(b) any wholly-owned Subsidiary of Trinity may merge into the Company, and may sell, lease or otherwise dispose of any of its assets to the Company.

Section 7.05. *Insurance.* The Company covenants and agrees that, so long as any of the Trust Certificates are outstanding, it will, at its own expense, cause to be carried and maintained insurance in respect of the Trust Equipment and public liability insurance with financially sound and reputable insurers of recognized responsibility in amounts and against risks customarily insured against by companies of established reputation in the rail car leasing business and in any event in at

least such amounts and against such risks as are customarily insured against by the Company on railroad equipment owned by it, *provided, however*, such insurance in respect of the Trust Equipment shall be maintained in amounts at least equal at all times to the unpaid principal amount of the Trust Certificates then outstanding. Such insurance on any Trust Equipment shall be payable to the Trustee and the Company as their interests may appear. The Company will forthwith give notice to the Trustee of the cancellation of any such insurance, and the Company will give to the Trustee a certificate reflecting the replacement of insurance required to be maintained pursuant to this Section 7.05. The Company shall deliver to the Trustee on or before the Sinking Fund Determination Date original or duplicate policies or certificates of insurers in form satisfactory to the Trustee evidencing all insurance then required to be maintained by the Company hereunder, and thereafter, within 30 days of the issuance of any additional policies or amendments or supplements to any of such policies, the Company will deliver, or cause to be delivered, the same (or certificates of the insurers under such policies evidencing the same) to the Trustee, and the Company shall, not later than 30 days prior to the expiration of any policy, deliver certificates of the insurers evidencing the replacement thereof.

Section 7.06. *Guaranty of Company.* The Company covenants, agrees and guarantees that the holder of each of the Trust Certificates shall receive the principal amount thereof, in such coin or currency of the United States of America, as at the time of payment shall be legal tender for the payment of public and private debts, when and as the same shall become due and payable, in accordance with the provisions thereof or of this Agreement (and if not so paid, with interest thereon until paid at the Overdue Interest Rate to the extent legally enforceable), and shall receive interest thereon in like money at the Interest Rate as specified therein, at the times and place and otherwise as expressed in the Trust Certificates and this Agreement (and if not so paid, with interest thereon until paid at the Overdue Interest Rate to the extent legally enforceable) and the Company agrees to endorse upon each of the Trust Certificates, at or before the issuance and delivery thereof by the Trustee, its Guaranty of the prompt payment of the principal thereof and the interest thereon, in substantially the form set forth in the fourth recital of this Agreement. Said Guaranty so endorsed shall be signed in the name and on behalf of the Company by the manual signature of its president, a vice president or the treasurer. In case any officer of the Company whose signature shall appear on such Guaranty shall cease to be such officer before the Trust Certificates shall have been issued and delivered by the Trustee, or shall not have been acting in such capacity on the date of the Trust Certificates, such Guaranty shall nevertheless be as effective and binding upon the Company as though the person who signed such Guaranty had not ceased to be or had then been such officer.

Section 7.07. *Collateral Deficiency.* A "Collateral Deficiency" shall be determined to exist under this Agreement when the net book value (as reflected on the records of the Company and determined in accordance with generally accepted accounting principles) of the Trust Equipment, together with Deposited Cash, and other cash, Letters of Credit or Investment Securities on deposit with the Trustee, is equal to less than 125% of the aggregate principal amount of the Trust Certificates outstanding at the time of the determination of the Collateral Deficiency.

Section 7.08. *Repurchase of Trust Certificates.* Neither the Company nor any Affiliate will, directly or indirectly, repurchase or make any offer to repurchase any Trust Certificate unless the Company or such Affiliate has offered to repurchase Trust Certificates, pro rata, from all holders of the Trust Certificates and upon the same terms. In case the Company repurchases any Trust

Certificate, such Trust Certificate shall thereafter be cancelled and no Trust Certificate shall be issued in substitution thereof.

Section 7.09. *Preservation of Franchises and Existence.* Except as otherwise permitted by Section 7.04, the Company will maintain its corporate existence, rights and franchises in full force and effect, *provided* that nothing in this Section 7.09 shall prevent the Company from discontinuing its operations in any particular state or at any particular location or locations within the state if, in the opinion of the Board of Directors of the Company, such discontinuance or termination is in the interest of the Company, and if such discontinuance or termination is not disadvantageous in any material respect to the holders of the Trust Certificates or in violation of any provisions of this Agreement.

Section 7.10. *Limitation on Funded Indebtedness.* The Company covenants and agrees that anything herein to the contrary notwithstanding, the Company will not incur any Funded Indebtedness if, after giving effect to the Funded Indebtedness proposed to be incurred, the total Funded Indebtedness of the Company would then exceed, on a pro forma basis, 80% of the total capitalization (Funded Indebtedness plus stockholders' equity) of the Company.

## **ARTICLE EIGHT**

### **Concerning the Holders of Trust Certificates**

Section 8.01. *Evidence of Action Taken by Holders of Trust Certificates.* Whenever in this Agreement it is provided that the holders of a specified percentage in aggregate principal amount of the Trust Certificates may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action the holders of such specified percentage have joined therein may be evidenced by any instrument or any number of instruments of similar tenor executed by holders of Trust Certificates in person or by agent or proxy appointed in writing.

Section 8.02. *Proof of Execution of Instruments and of Holding of Trust Certificates.* Subject to the provisions of Section 9.02, proof of the execution of any instrument by a holder of Trust Certificates or his agent or proxy and proof of the holding by any person of any of the Trust Certificates shall be sufficient if made in the following manner:

(a) The fact and date of the execution by any such person of any instrument may be proved by the certificate of any notary public or other officer of any jurisdiction within the United States of America authorized to take acknowledgements of deeds to be recorded in such jurisdiction that the person executing such instrument acknowledged to him the execution thereof, by an affidavit of a witness to such execution sworn to before any such notary or other such officer, or by a guarantee of the signature of such person by a trust company, a bank or a member firm of the New York Stock Exchange.

(b) The ownership of Trust Certificates may be proved by the register of such Trust Certificates or by a certificate of the registrar thereof.

(c) The Trustee may require such additional proof of any matter referred to in this Section 8.02 as it shall deem necessary.

Section 8.03. *Trust Certificates Owned by Company Deemed Not Outstanding.* In determining whether the holders of the requisite principal amount of the Trust Certificates have concurred in any direction, request, or consent under this Agreement, Trust Certificates which are owned by the Company or by any other obligor on the Trust Certificates or by an Affiliate of the Company or any such other obligor shall be disregarded, *except* that for the purpose of determining whether the Trustee shall be protected in relying on any such direction, request or consent, only Trust Certificates which the Trustee knows are so owned shall be disregarded.

Section 8.04. *Right of Revocation of Action Taken.* At any time prior to (but not after) the evidencing to the Trustee, as provided in Section 8.01, of the taking of any action by the holders of the percentage in aggregate principal amount of the Trust Certificates specified in this Agreement in connection with such action, any holder of a Trust Certificate the serial number of which is shown by the evidence to be included in the Trust Certificates the holders of which have consented to such action may, by filing written notice with the Trustee at its Corporate Trust Office and upon proof of holding as provided in Section 8.02, revoke such action so far as concerns such Trust Certificate. *Except* as aforesaid, any such action taken by the holder of any Trust Certificate shall be conclusive and binding upon such holder and upon all future holders and owners of such Trust Certificate and of any Trust Certificate issued in exchange or substitution therefor, irrespective of whether or not any notation in any regard thereto is made upon such Trust Certificate. Any action taken by the holders of the percentage in aggregate principal amount of the Trust Certificates specified in this Agreement in connection with such action shall be conclusive and binding upon the Company, the Trustee and the holders of all the Trust Certificates.

## ARTICLE NINE

### The Trustee

Section 9.01. *Acceptance of Trusts.* The Trustee hereby accepts the trust imposed upon it by this Agreement, and agrees to perform the same as herein expressed.

Section 9.02. *Duties and Responsibilities of the Trustee; During Default; Prior to Default.* (a) In case an Event of Default has occurred (which has not been cured), the Trustee shall exercise such of the rights and powers vested in it by this Agreement, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(b) No provision of this Agreement shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, *except* that

(i) prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred:

(A) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Agreement, and the Trustee shall not be liable *except* for the performance of such duties and obligations as are specifically set forth in this Agreement, and no implied covenants or obligations shall be read into this Agreement against the Trustee; and

(B) in the absence of misconduct on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions

expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Agreement; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Agreement;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts or that its action or inaction was contrary to the express provisions of this Agreement; and

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the holders of a majority in aggregate principal amount of the Trust Certificates at the time outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Agreement.

(c) None of the provisions contained in this Agreement shall require the Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

Section 9.03. *Certain Rights of the Trustee. Except* as otherwise provided in Section 9.02:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, trust certificate, guaranty or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) the Trustee may consult with counsel, and any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with such Opinion of Counsel and not contrary to the express provisions of this Agreement, *provided, however*, that the Trustee shall not be required to take any action under this Agreement which it has been advised by counsel is contrary to law.

(c) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Agreement at the request, order or direction of any of the holders of the Trust Certificates, pursuant to the provisions of this Agreement, unless such holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred thereon or thereby; and

(d) the Trustee shall not be liable for any action taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement.

Section 9.04. *Application of Rentals; Responsibility of Trustee to Insure or Record.* (a) The Trustee covenants and agrees to apply the rentals received by it under Section 5.04(b) hereof when

and as the same shall be received, and to the extent that such rentals shall be sufficient therefor, for the purposes specified in Section 5.04(b).

(b) *Except* as otherwise provided in Section 9.02, the Trustee shall not be required to undertake any act or duty in the way of insuring, taking care of or taking possession of the Trust Equipment or to undertake any other act or duty under this Agreement until fully indemnified by the Company or by one or more of the holders of the Trust Certificates against all liability and expense; and, *except* as aforesaid, the Trustee shall not be responsible for the filing or recording or refiling or re-recording of this Agreement or of any supplement hereto or statement of new numbers.

Section 9.05. *Funds May be Held by Trustee; Investments in Investment Securities.* (a) Any money at any time paid to or held by the Trustee hereunder until paid out by the Trustee as herein provided may be carried by the Trustee on deposit with itself, and, if and to the extent permitted by applicable law or regulations of governmental authorities having jurisdiction over the Trustee, the Trustee may allow interest upon any such monies held by it in trust at the rate generally prevailing among banks and trust companies in the city in which the Corporate Trust Office is located or allowed by it upon deposits of a similar character.

(b) At any time, and from time to time, if at the time no Event of Default shall have occurred and be continuing, the Trustee, on Request, shall invest and reinvest Deposited Cash held by it or cash deposited with, or paid to it, pursuant to Section 5.06 or Section 5.08 or otherwise (hereinafter in this Section 9.05 called "Replacement Funds") in Investment Securities, at such prices not in excess of fair market value at the time of investment including any premium and accrued interest, as are set forth in such Request, such Investment Securities to be held by the Trustee in trust for the benefit of the holders of the Trust Certificates.

(c) The Trustee shall, on Request, or the Trustee may, in the event funds are required for payment against delivery of Trust Equipment, sell such Investment Securities, or any portion thereof, and restore to Deposited Cash or Replacement Funds, as the case may be, the proceeds of any such sale up to the amount paid for such Investment Securities, including premium and accrued interest.

(d) The Trustee shall restore to Deposited Cash or Replacement Funds, as the case may be, rent received by it for that purpose under the provisions of Section 5.04(b)(1)(B).

(e) The Company, if not in default under the terms hereof, shall be entitled to receive any interest allowed as provided in Section 9.05(a), or any interest paid by any bank or bankers on deposits to the credit of the Trustee with such bank or bankers pursuant to Section 2.01, and any interest (in excess of accrued interest paid from Deposited Cash at the time of purchase) or other profit which may be realized from any sale or redemption of Investment Securities.

Section 9.06. *Trustee Not Liable for Delivery Delays or Defects in Equipment or Title; May Perform Duties by Agents; Reimbursement of Expenses; Holding of Trust Certificates; Monies Held in Trust.* (a) *Except* as otherwise provided in Section 9.02, the Trustee shall not be liable to anyone for any delay in the delivery of any of the Trust Equipment, or for any default on the part of the manufacturers or owners thereof or of the Company, or for any defect in any of the Trust Equipment or in the title thereto, nor shall anything herein be construed as a warranty on the part of the Trustee in respect thereof or as a representation on the part of the Trustee in respect of the value

thereof or in respect of the title thereto. **THE TRUSTEE MAKES NO REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE TITLE, VALUE, CONDITION, DESIGN, OPERATION, MERCHANTABILITY OR FITNESS FOR USE OF ANY OF THE TRUST EQUIPMENT, OR ANY OTHER REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED, WITH RESPECT TO ANY OF THE TRUST EQUIPMENT.**

(b) *Except* as otherwise provided in Section 9.02, the Trustee may perform its powers and duties hereunder with respect to the delivery and acceptance of the Trust Equipment by or through such attorneys, agents or servants as it shall appoint, and shall be answerable for only its own acts, negligence and willful defaults, and not for the default or misconduct of any attorney, agent or servant appointed by it with reasonable care. The Trustee shall not be responsible in any way for the recitals herein contained or for the execution or validity of this Agreement or of the Trust Certificates (*except* for its own execution thereof).

(c) The Trustee shall be entitled to receive payment of all of its expenses and disbursements hereunder, including reasonable counsel fees, and to receive reasonable compensation for all services rendered by it in the execution of the trust hereby created, all of which shall be paid by the Company.

(d) The Trustee in its individual or fiduciary capacity may own, hold and dispose of Trust Certificates with the same rights which it would have if it were not Trustee.

(e) Any monies at any time held by the Trustee or any paying agent hereunder shall, until paid out or invested by the Trustee or any paying agent as herein provided, be held by it in trust as herein provided for the benefit of the holders of the Trust Certificates.

Section 9.07. *Persons Eligible for Appointment as Trustee.* There shall at all times be a Trustee hereunder which shall be either Republic National Bank of Dallas, a national banking association, or a bank or trust company, organized and doing business under the laws of the United States of America or of the State of Texas or of the State of New York, having its principal office and place of business in the Cities of Houston, Dallas or Fort Worth in the State of Texas, or in the City of New York in the State of New York, having a combined capital and surplus of at least \$100,000,000 and which is authorized under such laws to exercise corporate trust powers and is subject to supervision or examination by federal or state authority. If such bank or trust company publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 9.07, the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 9.07, the Trustee shall resign immediately in the manner and with the effect specified in Section 9.08.

Section 9.08. *Resignation and Removal; Appointment of Successor Trustee.* (a) The Trustee may at any time resign by giving written notice of resignation to the Company and by mailing notice of resignation to all holders of Trust Certificates specifying the date such resignation is to become effective (which shall be not less than 30 days after the date of mailing such notice) at their last addresses appearing on the registry books. Upon receiving such notice of resignation, the Company shall promptly appoint a successor trustee by written instrument, in duplicate, executed by order of

the Board of Directors of the Company, one copy of which instrument shall be delivered to the Trustee so resigning and one copy to the successor trustee. The Company shall promptly notify the holders of the Trust Certificates of any such appointment made by it and provide one copy of any instrument effecting such appointment to each holder of the Trust Certificates. If no successor trustee shall have been so appointed and have accepted appointment within 30 days after the giving of such notice of resignation, the resigning trustee may petition any court of competent jurisdiction for the appointment of a successor trustee, or any holder of a Trust Certificate who has been a bona fide holder of a Trust Certificate or Trust Certificates for at least six months (hereinafter in this Section 9.08 called an "Established Holder") may, on behalf of such holder and all others similarly situated, petition any such court for the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor trustee.

(b) In case at any time any of the following shall occur:

(i) the Trustee shall cease to be eligible in accordance with the provisions of Section 9.07 and shall fail to resign after written request therefor by the Company or by any Established Holder, or

(ii) the Trustee shall become incapable of acting, or shall be declared insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then in any such case, the Company may remove the Trustee and appoint a successor trustee by written instrument, in duplicate, executed by order of its Board of Directors, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor trustee, or, any Established Holder may, on behalf of such Established Holder and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor trustee.

(c) The holders of a majority in aggregate principal amount of the Trust Certificates at the time outstanding may at any time remove the Trustee and appoint a successor trustee by delivering to the Trustee to be removed, to the successor trustee so appointed and to the Company the evidence provided for in Section 8.01 of the action taken by the holders of the Trust Certificates.

(d) The Company shall give notice of each resignation, removal or incapacity of the then Trustee or of a vacancy occurring in the office of the Trustee for any other cause and of each appointment by the Company of a successor trustee pursuant to Section 9.08(c) by mailing written notice of such event to the holders of all outstanding Trust Certificates.

(e) Any resignation or removal of the Trustee and any appointment of a successor trustee pursuant to any of the provisions of this Section 9.08 shall become effective upon acceptance of appointment by the successor trustee as provided in Section 9.09.

Section 9.09. *Acceptance of Appointment by Successor Trustee.* (a) Any successor trustee appointed as provided in Section 9.08 shall execute, acknowledge and deliver to the Company and to its predecessor trustee an instrument accepting such appointment hereunder, and thereupon the

resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder; but, nevertheless, on the written request of the Company or of the successor trustee, upon payment of its charges, then unpaid, the Trustee ceasing to act shall execute and deliver an instrument transferring to such successor trustee all the rights and powers of the Trustee so ceasing to act. Upon request of any such successor trustee, the Company shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor trustee all such rights and powers. Any Trustee ceasing to act shall, nevertheless, retain a lien upon all property or funds held or collected by such Trustee to secure any amounts then due it pursuant to the provisions of Section 9.06.

(b) No successor trustee shall accept appointment as provided in this Section 9.09 unless at the time of such acceptance such successor trustee shall be eligible under the provisions of Section 9.07.

(c) Upon acceptance of appointment by a successor trustee as provided in this Section 9.09, the Company shall mail notice of the succession of such trustee hereunder to the holders of Trust Certificates at their last addresses appearing upon the registry books. If the Company fails to mail such notice within ten days after acceptance of appointment by the successor trustee, the successor trustee shall cause such notice to be mailed at the expense of the Company.

Section 9.10. *Merger or Consolidation of Trustee.* Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger or conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be eligible under the provisions of Section 9.07, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding *except* that such successor to the Trustee shall promptly notify the holders of the Trust Certificates of such merger, conversion or consolidation.

Section 9.11. *Annual Report of Trustee.* So long as any Trust Certificate is outstanding, the Trustee will, within 30 days prior to each August 1 commencing in the calendar year following the calendar year in which occurs the first delivery of any of the Trust Equipment to it or its agent or agents hereunder, cause to be delivered to each Purchaser a written report:

(i) listing the policies of insurance then outstanding and in effect, the names of the Companies issuing such insurance, the amounts and expiration date or dates of such insurance and the risk or risks covered thereby and any material changes in such insurance since the last such report;

(ii) setting forth a list and description of the Equipment under the Equipment Trust Agreement setting forth the name of the lessees or sublessees thereof and the unexpired term of the Existing Leases or subleases, including renewals thereof, to which such Equipment is subject;

(iii) setting forth the face amount and expiration date, if any, of any Letter of Credit delivered to it pursuant to Section 5.06 or 5.08(a); and

(iv) setting forth the facts and circumstances with respect to any default (as defined in Section 6.07) or Event of Default which has, to its knowledge, occurred, and whether such default or Event of Default has been waived, cured or is continuing.

ASSIGNMENT dated as of \_\_\_\_\_, 19\_\_\_\_ (hereinafter called this "Assignment"), between REPUBLIC NATIONAL BANK OF DALLAS, a national banking association, acting as Trustee under an Equipment Trust Agreement dated as of June 15, 1980 (hereinafter called the "Trustee"), and TRINITY INDUSTRIES LEASING COMPANY, a corporation duly organized and existing under the laws of the State of Texas (hereinafter called the "Company").

### **Preliminary Statement**

The Company has agreed to cause to be sold, transferred and delivered to the Trustee certain railroad equipment (hereinafter called the "Trust Equipment") pursuant to the Equipment Trust Agreement dated as of June 15, 1980, between the Company and the Trustee (hereinafter called the "Trust Agreement").

Title to the units of Trust Equipment to which this Assignment relates is to be vested in and is to be retained by the Trustee and the Trust Equipment is to be leased to the Company under the Trust Agreement, all subject to the lease or leases referred to in Exhibit A hereto (hereinafter, whether one or more, called the "Leases") between the Company and the lessee or lessees named therein.

Trinity Industries Leasing Company 15½% Equipment Trust Certificates due September 15, 1995 (Series 2) in an aggregate principal amount not exceeding \$25,000,000 have been or are to be issued and sold and the aggregate proceeds (including accrued interest, if any) of such sale which equals the aggregate principal amount of the Trust Certificates issued and sold will constitute a fund to be known as the Trinity Industries Leasing Company Equipment Trust (Series 2) to be delivered by the Trustee from time to time to the Company to reimburse the Company for up to 80% of the cost of the Trust Equipment, the remainder of the cost of the Trust Equipment to be paid by the Company, as provided in the Trust Agreement.

It is desired to grant to the Trustee an assignment of and a security interest in and to the Leases and other collateral described below.

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, the parties hereto hereby agree as follows:

1. Subject to the rights of lessees under the Leases, the Company hereby assigns, transfers and sets over unto the Trustee as security for the payment and performance of all of the Company's obligations under the lease provided for in the Trust Agreement (i) all of the Company's right, title and interest as lessor in, to and under the Leases described in Exhibit A hereto together with all rights, powers, privileges, and other benefits of the Company as lessor under the Leases in respect of such units of Trust Equipment, including but not limited to the Company's right to receive and collect all rentals, liquidated damages, proceeds of sale and other payments now or hereafter to become payable to or receivable by the Company under or pursuant to the provisions of the Leases and, in addition, (ii) all the Company's right to receive and collect all per diem, mileage or other payments now or hereafter to become payable to the Company in respect of such units of Trust Equipment, whether under or pursuant to the provisions of any of the Leases or otherwise. The Trustee hereby appoints the Company its agent to collect and receive any and all of such rentals and other payments and to take any and all actions in respect of such Leases until the happening of an Event of Default (as such term is defined in the Trust Agreement). The Company represents and

warrants that it has not heretofore made and agrees that it will not hereafter make in respect of such units of Trust Equipment any other assignment of the Leases or the rentals or the payments payable to or receivable by the Company under any of the Leases.

2. It is expressly understood and agreed that the assignment made and security interest granted herein apply only to the Leases (and any right, title, interest, power, and privilege of the Company as lessor thereunder) insofar as such Leases cover or otherwise apply to the rail cars described in Exhibit A hereto and any rail cars substituted as replacements for the rail cars described in Exhibit A hereto, *ipso facto*, without further instrument of assignment (but do not apply to any rail cars added to such Leases as additional and not replacement rail cars).

3. It is expressly agreed that the rights hereby assigned to the Trustee are subject to the rights of lessees under the Leases, and that the Trustee, so long as any such lessee is not in default under its Lease, shall not interfere with the rights of peaceful and undisturbed possession of such lessee in and to any of such units of Trust Equipment in accordance with the terms of such Lease.

4. In addition to, and without in any way limiting, the powers conferred upon the Trustee by Sections 6.01 and 6.02 of the Trust Agreement, the Trustee may upon the happening of an Event of Default (as defined in the Trust Agreement) and not otherwise, in the Trustee's own name or in the name of the Trustee's nominee, or in the name of the Company or as the Company's attorney, (i) ask, demand, sue for, collect and receive any and all rentals or per diem, mileage or other payments to which the Company is or may become entitled in respect of such units of Trust Equipment and (ii) enforce compliance by lessees under the Leases with all the terms and provisions thereof and make all waivers and agreements, give all notices, consents and releases, take all action upon the happening of an Event of Default specified in the Leases, and do any and all other things whatsoever which the Company, as lessor, is or may become entitled to do under the Leases.

5. The assignment made by this Assignment is made only as security and, therefore, shall not subject the Trustee to, or transfer, or pass or in any way affect or modify, the liability of the Company under any Lease or otherwise, it being understood that, notwithstanding any assignment, any obligations of the Company under any Lease or otherwise shall be and remain enforceable against and only against the Company.

6. (a) Upon the full discharge and satisfaction of the Company's obligation under the lease provided for in the Trust Agreement, the assignment made pursuant to this Assignment shall terminate and all rights, title and interest of the Trustee as assignee hereunder in and to any Lease or any payments in respect of such units of Trust Equipment shall revert to the Company.

(b) Upon the release of any such unit of Trust Equipment pursuant to Section 5.06 of the Equipment Trust Agreement, this Assignment shall terminate *pro tanto* with respect to (i) such unit of Trust Equipment and (ii) rights assigned to the Trustee hereby and by the Equipment Trust Agreement in the Leases insofar as they relate to such unit of Trust Equipment, and upon such partial termination such unit of Trust Equipment and rights shall revert to the Company or to such person or persons as may be legally entitled thereto, *provided, however*, that if an Event of Default has occurred and is then continuing, such termination and reversion shall not occur until such Event of Default shall have been cured or waived in accordance with the provisions of the Equipment Trust Agreement. After any partial termination, the provisions of this Assignment shall no longer be applicable to such unit of Trust Equipment and rights, and the Trustee shall at the request of the Company or such other person, and at the expense of the Company, deliver to the Company or such other person, a writing evidencing such partial termination.

7. The Company covenants and agrees with the Trustee that in any suit, proceeding or action brought by the Trustee pursuant to the provisions of this Assignment for any rentals or per diem mileage or other payments in respect of the Trust Equipment, whether under or pursuant to the provisions of any Lease or otherwise, or to enforce any provisions of any Lease, the Company will save, indemnify and keep the Trustee harmless from and against all expense, loss or damage suffered by reason of any defense, set-off, counterclaim or recoupment whatsoever.

8. *Except* as otherwise provided herein, the provisions of this Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

9. All demands, notices and communications hereunder shall be in writing and shall be deemed to have been duly given and personally delivered at or mailed by first class mail, postage prepaid, to (i) in the case of the Company, delivered at 4001 Irving Boulevard, Dallas, Texas 75247, or mailed to P.O. Box 10587, Dallas, Texas 75207, Attention: President, or such other address as may hereafter be furnished to the Trustee in writing by the Company, and (ii) in the case of the Trustee, delivered at One Dallas Centre, Dallas, Texas 75201, Attention: Corporate Trust Department, or mailed to P.O. Box 2964, Dallas, Texas 75221, Attention: Corporate Trust Department, or such other address as may hereafter be furnished to the Company in writing by the Trustee. An affidavit by any person representing or acting on behalf of the Company or the Trustee, as to such mailing, having the registry receipt attached, shall be conclusive evidence of the giving of such demand notice or communication. Any communication so addressed and mailed shall be deemed to be given on whichever of the following dates shall first occur: (i) the date of actual receipt thereof by the intended recipient, (ii) the fifth day next following the date mailed, or (iii) if the substance thereof is communicated to the intended recipient by hand delivery, telephone or telex on or prior to the date of such mailing, the date so mailed.

10. This Assignment may be executed in counterparts each of which shall be deemed to be an original and all of such counterparts together constitute but one and the same instrument. It shall not be necessary in making proof of this Assignment to produce or account for more than one such counterpart.

11. The provisions of this Assignment and all rights and obligations of the parties hereunder shall in all respects be governed by, and construed and enforced in accordance with, the laws of the State of New York, including all matters of construction, validity and performance.

IN WITNESS WHEREOF, the Company and the Trustee have caused their names to be signed hereto by their respective officers thereunto duly authorized and their respective corporate seals duly attested to be hereunto affixed as of the day and year first written.
